

Winner of the 2022 Margaret E. Hain Memorial Art Scholarship – Euclid High School Senior, Alexis Sweet

The Euclid Art Association has awarded a \$500 scholarship to **Alexis Sweet**, who will graduate from Euclid High School in 2022. The Margaret E. Hain Art Scholarship is named after a Euclid High School art teacher who was the founder and first president of the EAA in 1958. The scholarship is given to a graduating senior who has taken art classes and will continue this study in the next academic year.

Ms. Sweet plans to study visual communication design at Kent State University. She chose this field of study because she “wants to be able to spread important information to people in a creative way.” As stated in her scholarship application, “I think that creating art to bring awareness to issues and information would help break social injustices.” With her skills in different mediums, not only would she like to make “a huge difference with all of the inequality in the world today”, but her skills would be very useful in the advertising industry. Using her creative and speaking skills, she would like to “send out important messages to people of all ages.” Alexis’s essay and art images were judged by the EAA scholarship committee of art educators.

EAA Vice President, Rozenia Cunningham served as a contact person with Euclid High School Guidance Counselor, Katie Gonakis. Euclid Art Association presented a congratulatory letter along with a certificate and check to Alexis at the Euclid High School senior breakfast awards ceremony on May 10.

Along with the cash award of \$500, Alexis was given full membership in the Euclid Art Association for the 2022-2023 season. Membership includes eligibility to participate in fine art shows, as well as monthly meetings, featuring demonstrations by local artists, and a personal webpage on the Euclid Art website, www.euclidart.com.
