## Watercolor Workshop with Christopher Leeper

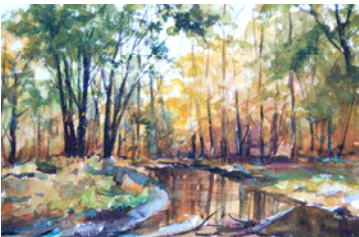

### *“Capturing Light – Dynamic Color and Value in Watercolor”*

Saturday, May 3, 2014 9:00am to 4:00pm

Christopher Leeper, an award winning artist from Canfield, Ohio, teaches art at Youngstown State. Chris will share his watercolor techniques with us. He likes to draw you into a subject by the use of intense colors and sunshine and he does it all in just a few layers which keeps his painting fresh. He creates realism through color, light and shapes. Join us for this fun learning experience. For more info on Chris and his art, visit [www.christopherleeper.com](http://www.christopherleeper.com).
