

The Euclid Art Association Presents

Perspective in Art Workshop

by Thomas Woodman, Artist & Architect

Using the iPad and Paper by 53 app
(or just a sketch pad and pencil)

Saturday, October 24, 2015 • 10:00 a.m. – 4:00 p.m.

Take perspective to the next level actually learn by doing! Architect and artist **Thomas Woodman** will teach us his step by step method of drawing perspective: **Observe** what you see, **Analyze** what you see and **Draw** what you see, then repeat and repeat again until

it becomes second nature to you. Tom will conduct this hands-on workshop at Apple Store using their state of the art business center. Using of the iPad and the app Paper by 53 (you can also use sketch pad and pencil), Tom helps you understand the principles of perspective.

Visit Tom's website at www.twoodmanipadsketches.com to see his collection of sketches, watch videos and more.
