

Euclid Art Association Presents
David Rankin Watercolor Workshop
Trees in Watercolor

Saturday, April 28, 2018 □ 9:30 a.m. – 3:30 p.m.

Learn David's technique for painting a variety of different trees. The most crucial skill needed for painting trees in transparent watercolor is the ability to merge wet brushwork into coherent & complex shapes quickly. The trick to painting a variety of trees lies in this ability to develop trees, one section at a time, working quickly and effectively. And then... learning how to apply additional layers of branches onto the top of earlier brushwork... in order to develop the illusion of visual depth. . . **Sign up now!**
