Learn how to create many of transparent watercolor's very **coolest visual effects**. Each skill has a precise procedure. Each skill creates distinctive visual effects. If you know how to create a specific visual effect... and then add another and another... you can create dramatic images.

This workshop is about learning how to "do it right"... especially with watercolor's **coolest washes**. David will train you in 4-5 of watercolor's most wonderful and widely used wash procedures. Plus, you will learn how much gravity to use... when to use it and why....and a lot more!
